Mrs Laithwaite and the Year 1 team are delighted with the fantastic achievement this year from the National Phonics Screening Test. Anderton's results have much improved from last year and you will be informed about your own child's result when you receive the report!

Equally we would like to celebrate the successful KS1 SAT results which again have shown a good improvement from last year. These results were also moderated by the local authority. Mrs Rushton and her team received much praise for how well she knew each child and for the progress the children have made!
