I am delighted to report that the children's work and behaviour this week has been **EXCELLENT** in ALL classes. I am very impressed!

Mrs Owen

Acting Headteacher

Mrs Shepherd is leaving today on maternity leave. We will all miss her very much and wish her well!!

From the 14th September, the celebration assembly every Friday 9.05-9.30am is open to parents and carers of children receiving awards. Some of you will receive texts inviting you come, as your child has been awarded Star of the Week or VIP (Values Inspired Person) of the Week by their class teacher. Please wait near the ramp and doors will open just before 9.05am. If you are unable to attend, you can send another member of the family or friend if you can. If no one can come, don't worry, we will publish a photograph for you to see.

Mrs Devlin has asked if, rather than coming to the office, parents would kindly put any (small) sums of money in named envelopes and give them to the class teacher on the yard in the morning or put in the child's bag. If you need to speak to Mrs Devlin yourself (for example to make an appointment with your child's class teacher) then please come to the office. We are trying to reduce the queues at the office in the morning!

Please note that it is school policy to expect parents and carers or other named adults over the age of 16 to collect children. We will not allow our children to go home with other children, unless they are 16 plus. Thank you

You may have noticed that your children have been very tired this week – I hope they have been going to bed without a fuss! Every class has been running the "daily mile" to promote fitness and a healthy body and mind. Please make sure the children have comfortable, properly fitting shoes as they do a lot of walking and running in them at playtimes! The "ballet pump" style for girls is not ideal, as they fall off!
