Keyboard lessons. Still 5 places for y2,3 or 4. Less than £4 per lesson. Contact Mrs Devlin in the office if interested.

Official Opening Day for the Newly refurbished Adlington Medical Centre on Babylon Lane on Saturday 13 October 2018 10.00am – 1.00pm. We would like to invite the staff/governors and pupils/parents along. There will be NHS and NON NHS agencies there, along with our own Medical and Non Medical Staff. Refreshments will be on offer and a tour of the building after the Official Opening. We are hoping to put a display in the library shortly with current pictures of the refurbished site. Cheryl

Headlice! There is concern in Y3 about recurring headlice. Please, please, please check your children and treat any infestations!

Every Friday, the celebration assembly every Friday 9.05-9.30am is open to parents and carers of children receiving awards. Some of you will receive texts inviting you come, as your child has been awarded Star of the Week or VIP (Values Inspired Person) of the Week by their class teacher. Please wait near the ramp and doors will open just before 9.05am. If you are unable to attend, you can send another member of the family or friend if you can. If no one can come, don't worry, we will publish a photograph for you to see. Please ensure you have given school permission or we can't publish! Thank you.

Mon 17th Sep NSPCC Assembly

Thurs 20th Sep 6pm. Governors' Resources Committee meeting

Mon 24th Sep Reception class photo for Chorley Guardian. PTFA AGM 6pm in Hall

Fri 28th Sep PTFA Macmillan Coffee Morning in Dinner Centre

Thurs 4th Oct. National Poetry Day and Y6 Bikeability starts

Fri 5th Oct. PTFA event (details to follow)

Mon 15th Oct Nasal flu vaccinations

Wed 17th Oct Parents' Evening.

Wed November 7th: Open Afternoon and Open Evening.

Two Thank you's!

Thank you for the positive feedback about the new pick up and drop off arrangements. Children who are late for doors can come into school via the office. If children are officially late (after 9am) a parent or carer needs to bring them in to explain. In the afternoons please give room for the children to line up with their teachers. Parents who wait on the playground will receive their children first and then the teachers will go to the back gate with remaining children to check if any parents are waiting on the rec. **Please do not re-enter the school after hometime. Use the office door!** *Milly's Smiles charity says thank you very much for the £100 donation from the Y6 performance. Well done children!*

Reading Challenge "Raring to Read".

Everyone is invited to take part in the Anderton Primary School Reading Challenge. Think about different, exciting, fun (but safe!) places you can enjoy a book. We'd love to see some photos (plus permission to publish on social media) of you reading in your "extreme" places!! The wackier and more unusual the better! You can email them to reception@anderton.lancs.sch.uk or year1@anderton.lancs.sch.uk or year2@anderton.lancs.sch.uk etc etc!!
