## Anderton Primary School Reading Challenge.

Think about different, exciting, fun (but safe!) places you can enjoy a book. We'd love to see some photos (plus permission to publish on social media) of you reading in your "extreme" places!! The wackier and more unusual the better! You can email them to [reception@anderton.lanacs.sch.uk](mailto:reception@anderton.lanacs.sch.uk) or [year1@anderton.lanacs.sch.uk](mailto:year1@anderton.lanacs.sch.uk) or [year2@anderton.lanacs.sch.uk](mailto:year2@anderton.lanacs.sch.uk) etc!

**Would parents please avoid doing u turns in the staff car park please. We want to avoid an accident!**

The official Anderton Primary School Facebook Page went live yesterday and we already have 26 likes for the page. Thank you! Letters were sent home in bags detailing the page and talking about online safety/parental permission etc. We will enjoy sharing fun moments with you. You wanted us to improve communication and I hope this will help. It does not replace face to face talking, phoning and emailing of course. Just another way of letting you know what your children are up to in school! Mrs Owen. Acting Headteacher.

Mrs Miller, Mrs Owen and Mrs Wignall are on the yard in the mornings to ensure all children are let in safely through the class doors or school office. If children are officially late (after 9am) a parent or carer needs to bring them in to the office to explain. At hometime, please leave room for the children to line up with their teachers. Parents who wait on the playground will receive their children first and then the teachers will go to the back gate with remaining children to check if any parents are waiting on the rec. Please do not re-enter the school after hometime. Use the office door!

Thank you to everyone who came to the PTFA/School Macmillan Coffee Morning this morning. We will let you know the total when we've finished counting it. Thank you for the generous donations money and of course cakes!
