Tues 30th Oct – School Re opens

Wed November 7th: Open Afternoon 1.30pm and Open Evening 6pm. Details to follow.

Anderton Primary School Reading Challenge.

Think about different, exciting, fun (but safe!) places you can enjoy a book. We'd love to see some photos (plus permission to publish on social media) of you reading in your "extreme" places!! The wackier and more unusual the better! You can email them to reception@anderton.lancs.sch.uk or year1@anderton.lancs.sch.uk or year2@anderton.lancs.sch.uk etc!

Would parents please avoid doing u turns in the staff car park please? We want to avoid an accident!

The official Anderton Primary School Facebook Page went live last week and we already have 84 likes for the page. Thank you! Letters were sent home in bags detailing the page and talking about online safety/parental permission etc. We will enjoy sharing fun moments with you. You wanted us to improve communication and I hope this will help. It does not replace face to face talking, phoning and emailing of course. Just another way of letting you know what your children are up to in school! Mrs Owen. Acting Headteacher.

Mrs Miller, Mrs Owen and Mrs Wignall are on the yard in the mornings to ensure all children are let in safely through the class doors or school office. If children are officially late (after 9am) a parent or carer needs to bring them in to the office to explain. At hometime, please leave room for the children to line up with their teachers. Parents who wait on the playground will receive their children first and then the teachers will go to the back gate with remaining children to check if any parents are waiting on the rec. Please do not re-enter the school after home time. Use the office door!

PTFA NEWS

We are all very excited and looking forward to the Halloween Disco tonight at the Community Centre. There will be many fun games and competitions to take part in – plus prizes to be won!
