£200 raised!

500kg collected!

(Bags2School)

Thank you – we collected
500kg of bags! The driver
who collected said that was
three times the average
amount! We will let you
know which class brought
the most when they've
finished the final count!

This half term's school value:

COURAGE

Over the next few weeks, class teachers will be keeping a look out for children who have been trying particularly hard with their reading. Each teacher will be choosing two children from their classes who they feel deserve a special prize. Miss Connolly will also be choosing winners of the 'Raring to Read – Caught Reading Challenge'. You still have time to send in your entries!

Administration of Medicine

If you would like us to administer prescription medicine to your child, could you please come to the school office to fill in a form, otherwise we are unable to do so.
Thank you.
