Additional pupil comments:

School is tiring and there is not enough Art.

I would like a safe space outside or a calm down area for when I have no one to play with.

I have never helped my teacher write my IEP.

My favourite subject is becoming harder.

I am trying not to ask my teacher for help all the time so I can be more independent.

The football in the playground is becoming rougher as I am getting older.

Subjects are getting more difficult now and I feel tired more. When I get tired I don't take in what my teacher tells me.

There are lots of people on the playground.

I don't like playtime when it is not our football day.

Playtime is a bit boring when we can't go on the equipment because it is broken.

Sometimes when the work is hard I don't want to do it and I can't concentrate.

I don't really like playing with other people I would rather play on my own.
